We do not guarantee the legal enforceability or validity of any document in any specific jurisdiction. For jurisdiction-specific advice, seek local counsel.

3. Use of AI & Document Automation

N1D utilizes artificial intelligence, including large language models (such as GPT-4-turbo, or similar), to assist in document creation, editing, summarization, and language translation. While our AI is trained on a wide range of legal and professional data, **generated content may contain inaccuracies** or may not reflect current legal, financial, or medical standards.

You assume full responsibility for verifying and reviewing all AI-generated content before use or submission to any third party, court, or authority.

N1D is committed to privacy and data protection. Users maintain control of their data via:

- Options to delete files automatically or manually;
- "Clear My Data" and "Delete Account" buttons;
- No collection of personal data without explicit consent.

Sensitive files (e.g., legal, financial, medical) can be stored using encrypted or quantum-safe options for additional protection. However, no system is entirely secure. Use at your own discretion.

By using our platform, you acknowledge and accept the risks associated with cloud-based data storage and transmission.

We may earn commissions or fees through these affiliate programs. **N1D does not endorse, guarantee, or assume responsibility** for services provided by third parties. All interactions with external service providers are at your sole risk and subject to their respective terms and policies.

6. Fair Use & Abuse Prevention

To maintain platform integrity:

- Limits may apply to document generation and file uploads per IP/device;
